

**235.065 Year-round registration system.**

All motorboat registrations required to be renewed annually may be placed in a system of registration renewal which would distribute the workload more evenly. This system to be selected by the Transportation Cabinet in consultation with the county clerks may be by the birth month of the owner of record or any other system that would take into account the seasonal nature of motorboats.

**Effective:** July 13, 1990

**History:** Amended 1990 Ky. Acts ch. 391, sec. 3, effective July 13, 1990. -- Created 1988 Ky. Acts ch. 163, sec. 16, effective January 1, 1990.
