

263.150 Loading platform specifications -- Sanitation requirements.

Each loading platform shall be provided with floors constructed of concrete or some other nonabsorbent material, adequate drainage, and adequate water supply, steam or other facilities approved by the department to clean floors and trucks. Each loading platform and equipment therein and the trucks and truck equipment shall at all times be kept in a reasonably sanitary condition.

History: Created 1966 Ky. Acts ch. 47, sec. 16.
