

304.44-060 Exempt counties.

The administrator shall exempt policies to be written or renewed in counties or portions of counties which do not have underground coal bearing strata or underground coal mines or in counties which have not voted, through their fiscal courts, to approve of the availability of mine subsidence insurance within that county.

Effective: July 13, 1984

History: Created 1984 Ky. Acts ch. 167, sec. 6, effective July 13, 1984.
