

330.192 Auctioneer's education, research, and recovery fund -- Annual fees, charges, and assessments -- Purpose -- Use -- Coverage of licensees.

- (1) (a) There is hereby created and established in the State Treasury the auctioneer's education, research, and recovery fund.
- (b) In addition to the license fees established in KRS 330.070, and KRS 330.095, the board may assess each licensee a renewal recovery fee established by administrative regulations promulgated by the board in accordance with KRS Chapter 13A. Each initial applicant shall pay an initial recovery fee established by administrative regulations promulgated by the board in accordance with KRS Chapter 13A.
- (2) The purposes of the auctioneer's education, research, and recovery fund shall be as follows:
 - (a) When a licensee has been duly found guilty of violating one (1) or more of the provisions of this chapter, or one (1) or more of the administrative regulations duly promulgated by the board, and upon the conclusion of a final order entered by the board or by the courts, if appealed, the board is authorized to pay to the aggrieved party an amount not to exceed fifty thousand dollars (\$50,000) against any one (1) licensee, if the licensee has refused to pay the claim within twenty (20) days of entry of a final order and provided further that the amount or amounts of money in question are certain and liquidated.
 - (b) The board shall maintain a minimum of five hundred thousand dollars (\$500,000) for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the State Employees' Retirement System and the interest from said investments shall be deposited to the credit of the research and recovery fund, or, in the discretion of the board, to the agency fund account as set out in KRS 330.050(6). Sufficient liquidity, however, shall be maintained so that money is available to satisfy all claims which may be processed through the board by means of administrative hearing as outlined in this chapter.
 - (c) The board may use funds in excess of five hundred thousand dollars (\$500,000), whether from the auctioneer's education, research, and recovery fund fees or accrued interest thereon, for any of the following purposes:
 1. To advance education and research in the auction field for the benefit of those licensed under the provisions of this chapter and to improve and make more efficient the auction industry;
 2. To underwrite educational seminars, caravans, and other forms of educational projects for the general benefit of licensees;
 3. To establish an auction chair or courses at Kentucky state institutions of higher learning for the purpose of making college or university level courses available to licensees and the general public;
 4. To contract for a particular research project in the auction field for the Commonwealth of Kentucky;

5. To sponsor, contract for, and to underwrite all other educational and research projects that contribute to the advancement of the auction field in Kentucky;
 6. To cooperate with associations of auctioneers and any other groups for the enlightenment and advancement of Kentucky licensees;
 7. To increase the level of the auctioneer's education, research, and recovery fund above five hundred thousand dollars (\$500,000); and
 8. To augment the regular trust and agency account of the board.
- (3) (a) If a licensee is found guilty of one (1) or more provisions of this chapter or of violating one (1) or more of the administrative regulations of the board, and if the amount of the money lost by the aggrieved party or parties is in dispute or cannot be determined accurately, then the amount of damages shall be determined by the Circuit Court in the county where the alleged violation took place, provided that the board has previously determined that a violation of the license laws or of the administrative regulations has occurred and a final order has been entered.
- (b) If an order has been entered and the license rights of the licensee have been finally adjudicated, then the local Circuit Court shall determine the monetary damages due from the aforesaid violation or violations.
- (c) When a final order has been entered by the Circuit Court, Court of Appeals, or Supreme Court, and upon certification to the board, the aggrieved party or parties shall be paid an amount not to exceed fifty thousand dollars (\$50,000) by the board, and the license held by the licensee against whom the claim was made by the aggrieved party shall be suspended at least until the licensee has reimbursed the auctioneer's education, research, and recovery fund for all amounts paid to the aggrieved party due to the violation of the licensee.
- (d) When, upon the final order of the court, the board has paid from the auctioneer's education, research, and recovery fund any sum to the aggrieved party, the board shall be subrogated to all of the rights of the aggrieved party to the extent of the payment and the aggrieved party shall, to the extent of the payment, assign his right, title, and interest in the judgment to the board.
- (e) All claims for monetary damages or relief from the auctioneer's education, research, and recovery fund shall be made in writing and submitted to the board within twelve (12) months of the act of the auctioneer giving rise to the loss. Failure to file a claim within the twelve (12) month period shall bar the claim. Additional evidence shall be submitted by the claimant if required by the board.
- (f) Notwithstanding any other provisions of this chapter, no unreimbursed amount greater than fifty thousand dollars (\$50,000) shall be paid by the board on account of any one (1) licensee, no matter over how long a time, or for how many claims, and no matter what the number of claimants be or the size of such claims, individually or in the aggregate. Should the licensee reimburse

the fund for all amounts paid, then future claims timely filed with the board concerning different matters may be received pursuant to this section.

- (g) No claims shall be approved under this section for amounts which, in the aggregate, exceed the maximum payable on account of any one (1) licensee in effect at the time of the act or acts of the licensee giving rise to the claims, except to the extent of said maximum. Statutory increases in the maximum set out in this section do not apply retroactively.
- (4) All categories of licensees under this chapter are covered under the provisions of this section for the benefit and protection of the public.
- (5) This section is not intended to substitute for, circumvent, or duplicate other remedies existing at law or otherwise for claimants or potential claimants, but constitutes a last resort for aggrieved persons who would not, but for the provisions of this section, be able to recover their losses by any other means available. The board shall have full discretion to require that claimants exhaust all other remedies prior to proceeding under this section, including, but not limited to, the remedy of obtaining a judgment by all diligent and appropriate means.
