The cost or expense of the work shall be paid by the commissioners out of the funds of the courthouse district.

When such records or any part of them become defaced or injured, the clerk shall transcribe them into new books, which shall be as valid in law as the original record, and the transcript therefrom shall be received and taken as of the same force and effect. The cost of such transcription shall be paid for out of the funds of the courthouse district.
- (4) In courthouse districts in which additional sectional indexes have been prepared, the commissioners may employ a competent person to keep up the indexes, in order that such additional indexes may be kept correctly and accurately.
