

**441.430 Application for approval of plans -- Delay until approval obtained -- Prerequisites for approval.**

- (1) Any political subdivision, or combination of subdivisions, desiring to build a local correctional facility shall make application, in writing, to the department and the construction authority for approval of the plans for the local correctional facility not less than ninety (90) days before the advertising for bids for construction of the facility, or if bids are not to be let, ninety (90) days before the construction commences.
- (2) The department's jail consultants shall review the plans and within thirty (30) days of the department's receipt of the application, make a recommendation to the construction authority as to whether the plans should be approved. The construction authority shall make a decision within sixty (60) days after the department's jail consultants make their recommendation. The construction authority may delay a final decision on the construction of any new local correctional facility if the construction authority determines that it has insufficient information upon which to base a decision. If the construction authority determines that it has insufficient information upon which to base a decision, a final decision shall be delayed but shall be made within sixty (60) days after receipt of the information required by the construction authority. Construction shall not commence until the requisite approval is obtained.
- (3) The construction authority shall not approve the construction of a new local correctional facility unless the proposed local correctional facility is built using plans supplied by the department. All local correctional facilities of the same inmate bed capacity shall be built using the same set of plans, which shall be suited to the type of facility being constructed pursuant to KRS 441.420.
- (4) The construction authority shall not approve the construction of a local correctional facility unless the political subdivision or combination of subdivisions desiring to build a local correctional facility proves to the satisfaction of the construction authority that:
  - (a) The construction of a new local correctional facility is necessary;
  - (b) The construction of a new local correctional facility with the number of beds proposed is necessary;
  - (c) The political subdivision or combination of political subdivisions has sufficient bonding and revenue sources to pay the bonded indebtedness of the proposed local correctional facility;
  - (d) The number and sources of prisoners for the local correctional facility is sufficient to maintain the financial viability of the local correctional facility;
  - (e) The projected operating costs for the local correctional facility are appropriate to maintain the financial viability of the local correctional facility;
  - (f) The sources of revenue are sufficient to pay, in addition to the bonded indebtedness, the operation costs and maintenance for the local correctional facility;

- (g) If applicable, there are contracts or interlocal cooperation agreements specifying details for sharing the liability for the costs of paying the bonded indebtedness and the operation costs for the local correctional facility;
- (h) If applicable, there are contracts or interlocal cooperation agreements specifying details for the management and operation of the local correctional facility; and
- (i) All information has been provided that the construction authority required pursuant to administrative regulation.
