Two additional members, who may not be massage therapists or immediate family members of a massage therapist, must be appointed as consumer members for two-year terms, staggered so that the term of one member expires each year. Each member of the board holds office until that member's successor is appointed and qualified.

Within one month after appointment of a new member, the board shall meet at some convenient place within the state and shall annually elect a president, vice president, and secretary-treasurer. The governor may remove from office members of the board for neglect of duties as required by this chapter or for malfeasance in office and incompetency, or for unprofessional conduct. 1. Any person who is eighteen years of age or more, a high school graduate or legal equivalent, and of good moral character and temperate habits is entitled to apply to the board. An applicant may receive a license from the board as a massage therapist if the applicant:

- a. Presents a diploma or credentials issued by a school of massage that meets the standards set by the board;
 - b. Passes an examination conducted or approved by the board; and
 - c. Pays the required fees, which must accompany the application to the board.
2. Any applicant failing to obtain licensure within six months of the initial application is entitled to reapply within six months after notification that the application was rejected, upon payment of a fee of fifty dollars or a lesser amount established by the board. Two applications exhaust the privilege under the original application.
3. Conviction of an offense does not disqualify a person from licensure under this chapter unless the board determines the offense has a direct bearing upon a person's ability to serve the public as a massage therapist or the person is not sufficiently rehabilitated under section 12.1-33-02.1.

43-25-08. Fee for license. The fee to receive a license as a massage therapist is one hundred fifty dollars or a lesser amount established by the board.

43-25-09. License - Display - Renewal - Renewal fee.

1. Each license must be conspicuously displayed at the place of practice.
2. On or before January first of each year, each licensed massage therapist shall pay to the secretary-treasurer of the board a renewal fee of one hundred dollars or a lesser amount established by the board.
3. Continuing education of at least thirty-two continuing education hours, or equivalent college credits, submitted every two years is a further requirement for renewal of the license. The board may accept continuing education attained by remote means. No more than twelve hours of a licensee's renewal hours may be by remote means. To qualify as continuing education, the remote education must be board-approved for content and suitability.
 - a. Odd-numbered licensed individuals report their continuing education in odd-numbered years and even-numbered licensed individuals report their continuing education in even-numbered years, based on the calendar year.
 - b. This subdivision applies for the initial licensure period. Individuals licensed on or before May thirty-first of their initial year, who would normally report hours of continuing education, based on their license number being odd or even, would need to report at least sixteen hours. Those not required to submit continuing education that initial January first would report at least twenty-four hours by the following January first. Individuals licensed after May thirty-first of their initial year, who would normally report hours of continuing education, based on their license number being odd or even would not be required to report that cycle, but would report at least forty-eight hours for the next cycle. Those not required to submit continuing education hours that initial January first would report at least sixteen hours by the following January first. Thereafter, initial licensees would follow the normal renewal reporting cycle.
 - c. This subdivision applies to renewing licensees, for the implementation of the continuing education reporting cycle. On or before January 1, 2010, even-numbered licensees would submit at least sixteen hours of continuing education. On or before January 1, 2011, odd-numbered licensees would submit at least thirty-two hours of continuing education.

4. If the board reasonably believes a massage therapist or applicant is in a physical condition jeopardizing the health of those who seek relief from the individual, the board may require the individual to have a physical examination by a competent medical examiner. If the individual has had or has any communicable disease sufficient to disqualify the applicant to practice massage in the state, the board shall deny a license until the individual furnishes due proof of being physically and mentally competent and sound.
5. A holder of an expired license may within one year from the date of its expiration have the license renewed upon payment of the required renewal fee. The board may require production of a new certificate of physical examination and evidence of any required continued educational hours being completed.
6. All licenseholders must be designated as licensed massage therapists and may not use any title or abbreviation without the designation "massage therapist".

The conviction of an offense includes conviction in any jurisdiction in the United States of any offense, which if committed within this state would constitute an offense under this state's laws.
