A person convicted of violating this subsection is guilty of a class A misdemeanor on the first offense and a class C felony on a subsequent offense.

Except for

moneys in the lottery operating fund appropriated by the legislative assembly for administrative and operating costs of the lottery under section 53-12.1-10, all other money in the fund is continuously appropriated for the purposes specified in this section. During each regular session, the attorney general shall present a report to the appropriations committee of each house of the legislative assembly on the actual and estimated operating revenue and expenditures for the current biennium and projected operating revenue and expenditures for the subsequent biennium authorized by this section. A payment of a prize or expense or transfer of net proceeds by the lottery may be made only against the fund or money collected from a retailer on the sale of a ticket. A disbursement from the fund must be for the following purposes:

53-12.1-10. Administrative and other operating costs of the lottery - Lottery operating fund. Money in the lottery operating fund may be spent pursuant to legislative appropriation for costs of administering and operating the lottery, including costs relating to employees, supplies, surveys, advertising and marketing, printing, promotion, premium incentive items, a facility, and services provided by another state agency.

53-12.1-11. Confidentiality of records.

1. The following information and records of the lottery are confidential:

 - b. Information related to a person owing a debt to the state or having a debt collected through a state agency that is made confidential by another state law or rule;
 - c. Internal control and security procedures, security information on a winning ticket, and information on a bid or contractual data, the disclosure of which is harmful to the efforts of the lottery to contract for goods and services on favorable terms;

- d. Personal information on a player who purchases a subscription or a player who wins a prize on a winning ticket unless the player authorizes, in writing, release of the information; and
 - e. Lottery sales data, the disclosure of which is harmful to the competitive position of the lottery, retailer, or person seeking or doing business with the lottery. However, a retailer may authorize the lottery to release the retailer's lottery sales data.
2. To be confidential, information must relate to the security and integrity of the lottery. Information and records may be disclosed within the attorney general's office or to an authorized person in the proper administration of the lottery law and rules or in accordance with a judicial order. Criminal history record check information on an individual seeking or doing business with the lottery may be released only according to chapter 12-60.

53-12.1-12. Setoff of prize.

1. A claimant agency and the director shall cooperate on the setoff of a winning lottery ticket or promotional cash prize against a delinquent debt. A claimant agency is an agency of the state of North Dakota that a person owes money to or that collects money on behalf of another party to satisfy a debt. The claimant agency and director shall share necessary information, including the person's full name, social security number, and amount and type of debt, through a mutually convenient method to timely achieve a setoff of a prize.
2. The director shall establish a debt setoff process in which a lottery prize claim of an amount equal to or greater than six hundred dollars must be used to set off a delinquent debt owed to or collected through a claimant agency.
3. If the director determines that a winning player owes a delinquent debt to or has a delinquent debt collected through a claimant agency, the director shall set off the amount of the debt from the prize due and notify the player, in writing, of the setoff. If the setoff accounts for only a portion of the prize due, the remainder of the prize must be paid to the player. The director shall transfer the setoff amount to the claimant agency unless the player notifies the director, in writing, within thirty days of the date of the notice of the setoff, that the player disputes all or part of the debt owed to or collected through the claimant agency. If the director receives a notification that the player disputes the setoff amount or claim upon which the setoff is based, the director shall grant a hearing to the player to determine whether the setoff is proper or the claim is valid, unless a review by a court is authorized under section 50-09-14. At a hearing, no issue may be reconsidered that the player has or could have previously litigated in a court or administrative proceeding.
4. The lottery is discharged of all further liability for the amount of any debt setoff paid to a claimant agency.
5. If two or more claimant agencies have delinquent accounts for the same player, the director shall apportion the prize equally among them. However, a setoff to the department of human services for child support payments has priority over all other setoffs.
6. If the prize is insufficient to satisfy the entire debt, the remainder of the debt may be collected by a claimant agency as provided by law or rule and resubmitted for setoff against any other prize awarded.
7. If two or more claimant agencies make adverse claims to all or a part of a prize payment, upon receipt of written notice from the claimant agencies setting forth their claims, the director may deposit, in accordance with section 32-11-02, the contested

amount of the prize payment with the clerk of court in the district in which an action pertaining to the contested amount is pending or with a court-authorized depository. If one of the claims is for child support, the director shall transfer the setoff amount to the state disbursement unit before depositing any remaining prize payment or award. Any review of this transfer to the state disbursement unit must be done pursuant to section 50-09-14. Upon making the deposit or transfer, the state and its officials and employees are discharged and relieved from further liability to any person or claimant agency related to the prize payment.

53-12.1-13. Rules. The attorney general shall adopt rules governing the operation of the lottery. The attorney general may adopt emergency rules as necessary without the grounds otherwise required under section 28-32-03. The attorney general shall adopt rules to address any matters necessary for the efficient operation of the lottery or convenience of the public, including:

1. Type of retailer where a ticket may be sold;

3. Licensing procedure;
4. Method used to sell a ticket, including a gift certificate and subscription;
5. Financial responsibility of a retailer;
6. Retailer promotions;
7. Amount and method of commission to be paid to a retailer, including a special bonus or incentive;
