57-36-02. Distributors and dealers to be licensed. Each person engaged in the business of selling cigarettes, cigarette papers, snuff, cigars, or tobacco in this state, including any distributor or dealer, must secure a license from the attorney general before engaging or continuing to engage in business. A separate application and license is required for each distributor at each outlet or place of business within the state, and a separate dealer's license is

required for each retail outlet when a person owns or controls more than one place of business dealing in cigarettes, cigarette papers, snuff, cigars, or tobacco. No retailer will be granted a distributor's license except a retailer who, in the usual course of business, performed a distributor's or wholesaler's function for at least one year prior to filing the license application. The application prescribed by the attorney general must include the name and address of the applicant, the address and place of business, the type of business, and other information as required for the proper administration of this chapter. Each application for a wholesale or distributor's outlet license must be accompanied by a fee of twenty-five dollars and a surety bond approved by the attorney general. Each application for a dealer's outlet license must be accompanied by a fee of fifteen dollars. A reinstatement fee of fifty dollars is required in addition to the annual license fee for each license renewal applied for after June thirtieth. The total reinstatement fee may not exceed five hundred dollars for any one licensee in any fiscal year. A distributor's license does not authorize the holder to make retail sales. Each license issued must be prominently displayed on the premises covered by the license.

57-36-03. License. Each license issued under the provisions of this chapter is valid until the first day of July subsequent to the date of issuance unless sooner revoked by the attorney general or unless the business with respect to which such license was issued is transferred, in either of which cases the holder of the license shall return it immediately to the attorney general. The license issued is annual and runs from July first of each year to June thirtieth of the following year.

57-36-04. Revocation of license - Penalty. The attorney general may revoke the license of any dealer or distributor for failure to comply with any of the provisions of this chapter, or any of the rules or regulations prescribed by the tax commissioner or the attorney general. When a license has been legally revoked, no license may be issued again to the licensee for a period of one year thereafter. A person may not sell any cigarettes, cigarette papers, snuff, cigars, or tobacco after that person's license has been revoked as provided in this chapter.

57-36-05. Unlawful to sell without license. A dealer or distributor may not sell cigarettes, cigarette papers, snuff, cigars, or tobacco in this state at wholesale or at retail unless a license has been issued to that dealer or distributor as prescribed by this chapter, and a person may not sell, offer for sale, or possess with the intent to sell, any cigarettes, cigarette papers, snuff, cigars, or tobacco without such license.

57-36-05.1. Sale of imported cigarettes - When prohibited. A dealer, distributor, or other person may not sell or distribute in this state any tobacco product previously exported from the United States.

57-36-05.2. Sale of noncompliant tobacco products. A dealer, distributor, or other person may not knowingly sell or distribute in this state any tobacco product manufactured by a tobacco product manufacturer not in compliance with subsection 2 of section 51-25-02.

57-36-06. Cigarettes - Amount of tax. There are levied and assessed, and there must be collected and paid to the state tax commissioner, upon all cigarettes sold in this state, the following excise taxes, payment thereof to be made prior to the time of the sale and delivery thereof:

1. Class A. On cigarettes weighing not more than three pounds [1360.78 grams] per thousand, five mills on each such cigarette.
2. Class B. On cigarettes weighing more than three pounds [1360.78 grams] per thousand, five and one-half mills on each such cigarette.

57-36-07. Packaging - Presumption from possession. Cigarettes must be packaged as follows:

1. All cigarettes sold or distributed in this state must be in packages containing twenty or more cigarettes each.

2. Each package of cigarettes displayed, exhibited, stored, or possessed in original cartons or containers upon the premises where consumer sales are made is conclusively presumed to be for sale to consumers.
3. All packages of roll-your-own tobacco sold or distributed in this state must be in packages containing at least 0.60 ounces [17 grams] of tobacco.

57-36-08. Stamps prepared by commissioner. Repealed by S.L. 1991, ch. 665, § 10.

57-36-09. Records to be kept by distributors and reports made - Penalty.

Distributors shall keep records and make reports relating to purchases and sales of cigarettes, cigarette papers, cigars, pipe tobacco, or other tobacco products made by them, and must be punished for failure so to do, as follows:

1. Each distributor who shall dispose of cigarettes, cigarette papers, cigars, pipe tobacco, or other tobacco products shall keep and preserve for one year all invoices of cigarettes, cigarette papers, cigars, pipe tobacco, or other tobacco products purchased by the distributor and shall permit the state tax commissioner, and assistants, authorized agents, or representatives of the state tax commissioner, to inspect and examine all taxable merchandise, invoices, receipts, books, papers, and memoranda as may be deemed necessary by the state tax commissioner, and assistants, authorized agents, or representatives of the state tax commissioner in determining the amount of the tax as may be yet due. Each person selling or otherwise disposing of cigarettes, cigarette papers, cigars, pipe tobacco, or other tobacco products as a distributor shall keep a record of all sales made within the state showing the name and address of the purchaser and the date of sale. For sales of other tobacco products, the records must also include the net weight in ounces, as listed by the manufacturer.
2. On or before the fifteenth day of each month, each licensed distributor, on such form as the state tax commissioner shall prescribe, shall report to the tax commissioner all purchases and sales of cigarettes, cigarette papers, cigars, pipe tobacco, or other tobacco products made from or to any persons either within or without this state during the preceding month. For sales of other tobacco products, each licensed distributor shall also report to the tax commissioner the net weight in ounces, as listed by the manufacturer. The tax levied by this chapter is payable monthly and must be remitted to the tax commissioner by each licensed distributor on or before the fifteenth day of the month following the monthly period.
3. Any person failing to file any prescribed form or return or to pay any tax within the time required or permitted by this section is subject to a penalty of five percent of the amount of tax due or five dollars, whichever is greater, plus interest of one percent of the tax per month or fraction of a month of delay except the first month after the return or the tax became due. The tax commissioner, if satisfied that the delay was excusable, may waive all or any part of the penalty. The penalty must be paid to the tax commissioner and disposed of in the same manner as are other receipts under this chapter.

57-36-09.1. Warehouse - Record of deliveries and shipments. Records of all deliveries of shipments of cigarettes and snuff from a licensed public warehouse to persons within this state must be kept by the warehouse and be available to the tax commissioner for inspection. They must show the name and address of the consignee, the date, the quantity of cigarettes, snuff, cigars, or other tobacco products delivered, and such other information as the tax commissioner may require. These records must be preserved for one year from the date of delivery of the cigarettes, snuff, cigars, or other tobacco products.

57-36-09.2. Examination and correction of returns - Collection of taxes.

1. As soon as practicable after any return required by this chapter is filed, the tax commissioner shall examine the return and correct it, if necessary, according to the tax commissioner's best judgment and information. The return, with the tax commissioner's corrections, if any, is prima facie correct and is prima facie evidence of the correctness of the amount of tax due, as shown therein. Proof of any such correction by the tax commissioner may be made at any hearing before the tax commissioner or in any legal proceeding by a copy of the pertinent record of the tax commissioner under the certificate of the custodian of the original official record. Such a certified copy must, without further proof, be admitted into evidence before the tax commissioner or in any legal proceeding and is prima facie proof of the correctness of the amount of tax due, as shown therein. If the tax commissioner finds that any amount of tax is due under this chapter from any person and is unpaid, the tax commissioner shall notify such person of the deficiency, stating that the tax commissioner proposes to assess the amount due with interest and penalties as hereinafter provided. If a deficiency disclosed by the tax commissioner's examination cannot be allocated by the tax commissioner to a particular month or months, the tax commissioner shall notify such person of the deficiency, stating the tax commissioner's intention to assess the amount due for a given period without allocating it to any particular month or months, with the penalty provided in the case of other corrected returns. If any person making any return dies or becomes incompetent at any time before the tax commissioner issues notice that the tax commissioner proposes to assess an amount due, that notice must be issued to the administrator, executor, or other legal representative, as such, of that person.
2. If, within fifteen days after mailing of notice of the proposed assessment, the person to whom such notice is sent or that person's legal representative shall file a written protest to said proposed assessment and request a hearing thereon, the tax commissioner shall give notice to such person or legal representative of the time and place fixed for the hearing. Such notice of hearing and the hearing, with any appeal therefrom, must be governed by the provisions of chapter 28-32.
3. The tax commissioner may recover the amount of any tax due and unpaid, interest, and any penalty in a civil action.

57-36-09.3. Corporate officer liability.

1. If a corporation holding a license issued under this chapter fails for any reason to file the required returns or to pay the tax due, the president, vice president, secretary, or treasurer, jointly or severally, having control or supervision of, or charged with the responsibility for making such returns and payments, is personally liable for the failure. The dissolution of a corporation does not discharge an officer's liability for a prior failure of the corporation to make a return or remit the tax due. The sum due for such a liability may be assessed and collected under the provisions of this chapter for the assessment and collection of other liabilities.
2. If the corporate officers elect not to be personally liable for the failure to file the required returns or to pay the tax due, the corporation must be required to make a cash deposit or post with the tax commissioner a bond or undertaking executed by a surety company authorized to do business in this state. The cash deposit, bond, or undertaking provided for in this section must be in an amount equal to the estimated annual tobacco products tax liability of the corporation.

57-36-09.4. Governor and manager liability.

1. If a limited liability company holding a license issued under this chapter fails for any reason to file the required returns or to pay the taxes due under this chapter, the governors, managers, or members of a member-controlled limited liability company, jointly or severally, charged with the responsibility of supervising the preparation of the returns and payments, are personally liable for the failure. The dissolution of a

limited liability company does not discharge a governor's, manager's, or member's liability for a prior failure of the limited liability company to file a return or remit the tax due. The taxes, penalty, and interest may be assessed and collected under the provisions of this chapter.

2. If the governors, managers, or members elect not to be personally liable for the failure to file the required returns or to pay the tax due, the limited liability company must be required to make a cash deposit or post with the tax commissioner a bond or undertaking executed by a surety company authorized to do business in this state. The cash deposit, bond, or undertaking provided for in this section must be in an amount equal to the estimated annual tobacco products tax liability of the limited liability company.

57-36-09.5. Lien of tax - Collection - Action authorized.

1. When a taxpayer liable to pay a tax or penalty imposed refuses or neglects to pay the tax, the amount, including any interest, penalty, or addition to the tax, together with the costs that may accrue in addition to the tax, is a lien in favor of the state of North Dakota upon all property and rights to property, whether real or personal, belonging to the taxpayer, and in the case of property in which a deceased taxpayer held an interest as joint tenant or otherwise with right of survivorship at the time of death, the lien continues as a lien against the property in the hands of the survivors to the extent of the deceased taxpayer's interest therein, which interest is determined by dividing the value of the entire property at the time of the taxpayer's death by the number of joint tenants or persons interested therein.
2. The lien attaches at the time the tax becomes due and payable and continues until the liability for the amount is satisfied. For the purposes of this section, the words "due" and "due and payable" mean the first instant at which the tax becomes due.
3. Any mortgagee, purchaser, judgment creditor, or lien claimant acquiring any interest in, or lien on, any property situated in the state, prior to the commissioner filing in the central indexing system maintained by the secretary of state, a notice of the lien provided for in this section takes free of, or has priority over, the lien.
4. The commissioner shall index in the central indexing system the following data:
 - a. The name of the taxpayer.
 - b. The tax identification number or social security number of the taxpayer.
 - c. The name "State of North Dakota" as claimant.
 - d. The date and time the notice of lien was indexed.
 - e. The amount of the lien.

The notice of lien is effective as of eight a.m. next day following the indexing of the notice. Any notice of lien filed by the commissioner with a recorder may be indexed in the central indexing system without changing its original priority as to property in the county where the lien was filed.

5. The commissioner is exempt from the payment of the filing fees as otherwise provided by law for the indexing of the notice of lien or for its satisfaction.
6. Upon payment of a tax as to which the commissioner has indexed notice in the central indexing system, the commissioner shall index a satisfaction of the lien in the central indexing system.

7. Upon the request of the commissioner, the attorney general shall bring an action at law or in equity, as the facts may justify, without bond to enforce payment of any taxes and any penalties, or to foreclose the lien in the manner provided for mortgages on real or personal property, and in the action the attorney general shall have the assistance of the state's attorney of the county in which the action is pending.
8. The foregoing remedies of the state are cumulative and no action taken by the commissioner or attorney general may be construed to be an election on the part of the state or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law.

57-36-10. Stamps may be purchased at discount. Repealed by S.L. 1991, ch. 665, § 10.

57-36-11. Tax meter machines. Repealed by S.L. 1991, ch. 665, § 10.

57-36-11.1. Sales of untaxed cigarettes. When a distributor makes an untaxed cigarette sale to an enrolled tribal member, the distributor must obtain from the tribal member, on forms prescribed by the tax commissioner, the following information:

1. Name of the tribal member.
2. Social security number of the tribal member.
3. Name of the tribe of the tribal member.
4. Tribal enrollment number of the tribal member.
5. Residential address of the tribal member.
6. Business address and business location of the retail sales of the tribal member.
7. Certification that the tribal member has been granted authority from the tribe to conduct cigarette sales activity within the external boundaries of the reservation.

57-36-12. Distributors may not sell stamps. Repealed by S.L. 1991, ch. 665, § 10.

57-36-13. Unlawful to transport unstamped cigarettes. Repealed by S.L. 1991, ch. 665, § 10.

57-36-14. Procedure in case of seizure - Determination - Judgment. The procedure in case of seizure of cigarettes, equipment, or any other product taxed pursuant to this chapter must be as follows:

1. Upon the seizure of any cigarettes and within two days thereafter, the officer making such seizure shall deliver an inventory of the property seized to the person from whom such seizure was made, if known, and shall file a copy thereof with the tax commissioner.
2. Within ten days after the date of the service of such inventory, the person from whom the seizure was made, or any other person claiming an interest in the property seized, may file a demand for a judicial determination of the question as to whether such property was, or lawfully is, subject to seizure and forfeiture. Thereupon the tax commissioner, within thirty days, shall institute an action in the district court of the county where such seizure was made to determine the issue of forfeiture. Such action must be brought in the name of the state of North Dakota and must be prosecuted by the state's attorney, the tax commissioner, or the attorney

general. The district court shall hear such action as a court case and shall try and determine the issues of law and fact involved.

3. In case a judgment of forfeiture is entered, the tax commissioner, unless such judgment is stayed pending an appeal to the supreme court, as soon as convenient, shall sell such forfeited property and cover the proceeds, less court costs, into the common schools trust fund of the state.
4. In case a demand for a judicial determination is made and no action is commenced as provided in this section, such property must be released by the tax commissioner and redelivered to the person entitled thereto.
5. In the event that no demand for judicial determination is made, such seized property must be deemed forfeited to the state by operation of law, and the tax commissioner thereupon may sell the same.
6. In case of the seizure of an automobile, truck, boat, airplane, conveyance, vehicle, or other means of transportation pursuant to the provisions of this chapter, the officer making the seizure shall file an inventory, and upon a demand for a judicial determination as provided in this section, the tax commissioner, within thirty days thereafter, shall commence an action in the district court of the county where such seizure was made to declare a forfeiture of such vehicle or other means of transportation, and such action must be heard and determined as other forfeiture actions instituted under this chapter.
7. Whenever the tax commissioner is satisfied that any person from whom property is seized was acting in good faith and without intent to evade the revenue provisions of this chapter, the tax commissioner shall release the property seized without further legal proceedings.

57-36-15. Hearings by tax commissioner. Repealed by S.L. 1965, ch. 403, § 23.

57-36-16. Petition to tax commissioner for hearing or rehearing. Repealed by S.L. 1965, ch. 403, § 23.

57-36-17. Hearing - Appeals from decision of the tax commissioner. Except as provided in section 57-36-14, any person aggrieved because of any action or decision of the tax commissioner under the provisions of this chapter has the right to a hearing by the tax commissioner and has the right to appeal from the decision of the tax commissioner on such hearing, all in accordance with the provisions of chapter 28-32.

57-36-18. Tax commissioner to administer chapter. In administering this chapter, the tax commissioner and agents of the tax commissioner shall exercise the following powers:

1. The tax commissioner and authorized agents of the tax commissioner shall enforce the provisions of this chapter and have the powers of peace officers. They may arrest violators of the provisions of this chapter and enter complaint before any court of competent jurisdiction, and may seize without formal warrant, and use as evidence, any forged, counterfeit, spurious, or altered license found in the possession of any person in violation of this chapter.
2. The tax commissioner may prescribe rules and regulations not inconsistent with the provisions of the chapter for its detailed and efficient administration.

57-36-19. State's attorney and other officers may be called. In the enforcement of this chapter, the state tax commissioner may call to the tax commissioner's assistance any state's attorney, or any peace officer, and may appoint such additional assistants as may be required to carry out the provisions of this chapter.

57-36-21. Unlawful to counterfeit stamps or insignia. Repealed by S.L. 1975, ch. 106, § 673.

57-36-22. Separate additional tax on cigarettes - Collection - Penalty. Repealed by S.L. 1965, ch. 403, § 23.

57-36-23. Separate and additional tax on the sale of cigarettes - Collection - Allocation of revenue - Tax avoidance prohibited - Penalty. Repealed by S.L. 1965, ch. 403, § 23.

57-36-24. Exemptions. All gift cigarettes, snuff, cigars, and other tobacco products, not for resale, which are given to the North Dakota veterans' home or the North Dakota state hospital for distribution to the occupants thereof, are exempt from the excise taxes levied under this chapter.

57-36-25. Cigars and pipe tobacco - Excise tax on wholesale purchase price - Other tobacco products - Excise tax on weight - Penalty - Reports - Collection - Allocation of revenue.

1. There is hereby levied and assessed upon all cigars and pipe tobacco sold in this state an excise tax at the rate of twenty-eight percent of the wholesale purchase price at which such cigars and pipe tobacco are purchased by distributors. For the purposes of this section, the term "wholesale purchase price" shall mean the established price for which a manufacturer sells cigars or pipe tobacco to a distributor exclusive of any discount or other reduction.
2. There is levied and assessed upon all other tobacco products sold in this state an excise tax at the following rates:
 - a. Upon each can or package of snuff, sixty cents per ounce and a proportionate tax at the like rate on all fractional parts of an ounce.
 - b. On chewing tobacco, sixteen cents per ounce and a proportionate tax at the like rate on all fractional parts of an ounce.

For purposes of this subsection, the tax on other tobacco products is computed based on the net weight as listed by the manufacturer.

3. The proceeds of the taxes imposed under this section, together with such forms of return and in accordance with such rules and regulations as the tax commissioner may prescribe, shall be remitted to the tax commissioner by the distributor on a calendar quarterly basis on or before the fifteenth day of the month following the quarterly period for which paid. The tax commissioner shall, however, have authority to prescribe monthly returns upon the request of the licensee distributor and such returns accompanied with remittance shall be filed before the fifteenth day of the month following the month for which the returns are filed.
4. Any person failing to file any prescribed form or return or to pay any tax within the time required or permitted by this section is subject to a penalty of five percent of the amount of tax due or five dollars, whichever is greater, plus interest of one percent of the tax per month or fraction of a month of delay except the first month after the return or the tax became due. The tax commissioner, if satisfied that the delay was excusable, may waive all or any part of the penalty. The penalty must be paid to the tax commissioner and disposed of in the same manner as are other receipts under this chapter.

5. All moneys received by the tax commissioner under the provisions of this section shall be transmitted to the state treasurer at the end of each month and deposited in the state treasury to the credit of the general fund.

57-36-25.1. Deduction to reimburse licensed distributor for administrative expenses.

1. A licensed distributor who pays the tax due under this chapter within the time limitations prescribed may deduct and retain one and one-half percent of the tax due to reimburse the distributor for expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying information requested by the commissioner.
2. The total deduction allowed by this section may not exceed one hundred dollars per month for each licensed distributor.

57-36-26. Cigars, pipe tobacco, and other tobacco products - Excise tax payable by dealers - Reports - Penalties - Collection - Allocation of revenue.

1. There is levied and assessed, upon all cigars and pipe tobacco purchased in another state and brought into this state by a dealer for the purpose of sale at retail, an excise tax at the rate of twenty-eight percent of the wholesale purchase price and, upon all other tobacco products purchased in another state and brought into this state by a dealer for the purpose of sale at retail, an excise tax at the rates indicated in section 57-36-25, at the time the products were brought into this state. For the purposes of this section, the term "wholesale purchase price" means the established price for which a manufacturer sells cigars or pipe tobacco to a distributor exclusive of any discount or other reduction. However, the dealer may elect to report and remit the tax on the cost price of the products to the dealer rather than on the wholesale purchase price. The proceeds of the tax, together with the forms of return and in accordance with any rules and regulations the tax commissioner may prescribe, must be remitted to the tax commissioner by the dealer on a monthly basis on or before the fifteenth day of the month following the monthly period for which it is paid. The tax commissioner shall have the authority to place any dealer on an annual remittance basis when in the judgment of the tax commissioner the operations of the dealer merit that remittance period. In addition, the tax commissioner shall have the authority to permit the consolidation of the filing of a dealer's return when the dealer has more than one location and thereby would be required to file more than one return.
2. If cigars, pipe tobacco, or other tobacco products have been subjected already to a tax by any other state in respect to their sale in an amount less than the tax imposed by this section, the provisions of this section apply, but at a rate measured by the difference only between the rate fixed in this section and the rate by which the previous tax upon the sale was computed. If the tax imposed in the other state is twenty percent of the wholesale purchase price or more, then no tax is due on the article. The provisions of this subsection apply only if the other state allows a tax credit with respect to the excise tax on cigars, pipe tobacco, or other tobacco products imposed by this state which is substantially similar in effect to the credit allowed by this subsection.
3. Any person failing to file any prescribed forms of return or to pay any tax within the time required by this section is subject to a penalty of five dollars or a sum equal to five percent of the tax due, whichever is greater, plus one percent of the tax for each month of delay or fraction thereof excepting the month within which the return was required to be filed or the tax became due. The tax commissioner, if satisfied that the delay was excusable, may waive all or any part of the penalty. The penalty must be paid to the tax commissioner and disposed of in the same manner as are other receipts under this chapter.

4. All moneys received by the tax commissioner under the provisions of this section must be transmitted to the state treasurer at the end of each month and deposited in the state treasury to the credit of the general fund.

 - b. On cigarettes weighing more than three pounds [1360.78 grams] per thousand, five and one-half mills on each such cigarette.

3. On or before the tenth day of each calendar quarter, every consumer who during the preceding calendar quarter has acquired title or possession of cigarettes for use or storage in this state, upon which cigarettes the tax imposed by section 57-36-06 has not been paid, shall file a return with the tax commissioner showing the quantity of cigarettes so acquired. The return must be made upon a form furnished and prescribed by the tax commissioner and must contain such other information as the tax commissioner may require. The return must be accompanied by a remittance for the full unpaid tax liability shown by it.
4. As soon as practicable after any return is filed, the tax commissioner shall examine the return and correct it, if necessary, according to the tax commissioner's best judgment and information.
5. In case any consumer required to pay the tax levied by this section fails to file a return or remit the tax as herein required, the tax commissioner has the authority to make an assessment of tax against the consumer according to the commissioner's best judgment and information.
6. All of the provisions of this chapter relating to corrections of returns, deficiency assessments, protests thereto, hearings thereon, interest and penalties, and collections of taxes are applicable to consumers under this section in like manner as though set out in full herein.

57-36-28. Consumer's use tax - Cigars, pipe tobacco, and other tobacco products - Reports - Remittances.

1. A tax is imposed upon the use or storage by consumers of cigars, pipe tobacco, and other tobacco products in this state, and upon those consumers, at the rates indicated in section 57-36-25.
2. This tax does not apply if the tax imposed by section 57-36-25 or 57-36-26 has been paid and it does not apply to cigars, pipe tobacco, or other tobacco products exempt under section 57-36-24.
3. On or before the tenth day of each calendar quarter, every consumer who, during the preceding calendar quarter, has acquired title to or possession of cigars, pipe tobacco, or other tobacco products for use or storage in this state, upon which products the tax imposed by either section 57-36-25 or 57-36-26 has not been paid, shall file a return with the tax commissioner showing the quantity of such products so acquired. For sales of other tobacco products, the return must also include the net weight in ounces, as listed by the manufacturer. The return must be made upon a form furnished and prescribed by the tax commissioner and must contain such other

information as the tax commissioner may require. The return must be accompanied by a remittance for the full unpaid tax liability shown by it.

4. As soon as practicable after any return is filed, the tax commissioner shall examine the return and correct it, if necessary, according to the tax commissioner's best judgment and information.
5. If any consumer required to pay the tax levied by this section fails to file a return or remit the tax as required, the tax commissioner shall make an assessment of tax against the consumer according to the tax commissioner's best judgment and information.
6. All of the provisions of this chapter relating to corrections of returns, deficiency assessments, protests, hearings, interest and penalties, and collections of taxes apply to consumers under this section.

57-36-29. Correction of errors.

1. If it appears that as a result of a mistake an amount of tax, penalty, or interest has been paid which was not due under the provisions of this chapter, then such amount becomes due under this chapter, and the amount must be credited or refunded to such person or firm by the tax commissioner.
2. Whenever a distributor destroys cigarettes, cigars, pipe tobacco, or other tobacco products accidentally, or intentionally, because of staleness or other unfitness for sale, a credit or refund must be given to the wholesaler under the terms and conditions prescribed by the tax commissioner.

57-36-30. Issuance of credit or refund. Whenever by any provisions of this chapter a credit or refund is authorized, the tax commissioner shall issue a credit applicable to future obligations under this chapter or certify the amount of the refund, the reason therefor, and the name of the payee to the director of the office of management and budget, who shall thereupon draw a warrant on the fund to which the payment had been credited in the amount specified payable to the named payee.
