

CHAPTER 40-57.2 INDUSTRIAL PLANNING SURVEYS AND VOCATIONAL TRAINING

40-57.2-01. Cities and counties may enter into agreements for surveys for industrial development and career and technical education and on-the-job training.

The governing body of any city or county of this state is authorized in accordance with the provisions of this chapter to enter into contracts with any person, firm, association, corporation, or limited liability company for the purpose of obtaining site surveys and site development plans, structural and mechanical plans and surveys, market surveys, and similar plans and surveys relating to industrial development and plant location, design, construction, equipment, and operation. Similar contracts may be entered into by such political subdivisions in accordance with the provisions of this chapter for the providing of career and technical education and on-the-job training for residents of this state in industries located within this state. Such agreements shall be entered into only with a financially and educationally reliable person, firm, association, corporation, or limited liability company that has been approved for such agreement by a local development organization located in such city or county and organized to encourage industrial and commercial development and growth.

40-57.2-02. Content of surveys.

The surveys permitted by this chapter shall consist of a detailed plan which may include, among such items required by the city or county, the following:

1. An evaluation of proposed sites, the various methods of utilization, and the suitability of the sites for industrial development for specific types of industry.
2. An evaluation of consumer demand for the various types of products that could be processed, assembled, fabricated, or manufactured by an industry or the different types of industry that could utilize the site, and the benefits to the city to be realized from each in terms of economic growth.
3. The available labor supply, skilled and unskilled, and what effect various types of industries would have on the supply.
4. Any other matters relating to planning, designing, and costs pertaining to plant buildings and plant equipment for specific plant location sites.

40-57.2-03. Declaration of legislative intent.

It is hereby declared to be the intent of the legislative assembly to promote the growth and development of small industry and to assist in the creation and expansion of local skills and talents in North Dakota.

40-57.2-04. City or county may make tax levy.

Any city or county, after resolution by its governing body that the question be submitted to its electors shall upon approval of the question at a regular or special election by sixty percent of the qualified electors of the city or county voting in the election may levy a tax not exceeding the limitations in subsection 16 of section 57-15-06.7 and subsection 15 of section 57-15-10 for the purpose of providing funds for career and technical education and on-the-job training services and surveys and otherwise implementing this chapter. No levy for a specific year shall be made if the balance in the fund remaining from levies in prior years is in excess of ten thousand dollars.
